## NEWSLETTER No 11

October 2016

There is another **QUIZ NIGHT** on the way

Monday 7<sup>th</sup> November 2016 at 7.30pm  
at the Trades and Labour Club in Walton

We will be pleased to see lots of our members and their friends and relatives who enjoy the facility of a hut or chalet. Roy Gray will be the Quiz Master.

There will be some light refreshments, so please let Trevor Mason know if you are coming (either by email or give him a ring on 01394 274331) so we provide the right amount of food. The bar will be open, as usual.

There will also be a raffle with the first prize of a £50 voucher for a meal in a Felixstowe restaurant. If anyone wishes to donate a raffle prize it will be gratefully accepted. Proceeds will be donated to Felixstowe Coastwatch.

## COMMITTEE MEMBER NEEDED

As one of our Committee members has sold his hut, we now have a vacancy on the Association Committee. Ideally we would like someone with a hut at Brackenbury Fort to come forward so we have a representative at every site. But we will welcome anyone who is willing to put themselves forward. It isn't an onerous task, why not give it a go? Please get in touch if you are willing.

√ √

Does a hut near yours appear to be abandoned? We'd be interested to know of any huts that don't have anyone using them so we can pass on the information to Suffolk Coastal at one of our meetings.

We are delighted to have been given permission by Suffolk County Council to place a bench on the promenade at Manor End, where there was a chronic shortage of somewhere to sit and watch the world go by.

Thanks to 'Marketing Force' for producing the excellent plaque to show that the bench was donated by us.

Following a consultation exercise, cycling on the promenade is going to be permitted. Responsible cycling where consideration is given to others is acceptable, but those who use it with total disregard for pedestrians or people seated on the prom are a menace. Please report any incidents of irresponsible cycling that you witness, or any accidents involving cyclists, so that a proper evaluation of the policy can be carried out after the 12 month trial period.

Again this year we will be entering a tree, decorated with a beach hut theme, in the Christmas Tree Festival at the Salvation Army Church from 29<sup>th</sup> November to 3<sup>rd</sup> December. Last year we were awarded second place. Maybe we can go one better this year. By all means drop in to see it. Any donations will go to Felixstowe Coastwatch.

We often get requests for details of people that carry out hut maintenance or provide insurance. We have a list of businesses that offer services and discounts to our members on production of your membership card, which is on our website. Just to remind everyone, an updated list is being sent out with this newsletter. Please remember that the Association does not 'recommend' any of these businesses. We are happy to pass on their details so you can make up your own mind whether or not to use them.
